The following are detailed instructions for domestic and international wires transfers. Please include appropriate identifying information on the wire, i.e, CSU Department, CSU student/commercial account number, CSU contact person and phone number, etc. so that Banking Services can place the wire.

Please make sure you list “ICCC 2024” on your wire so it gets transferred into the appropriate conference account.

It is also important to note that intermediary banks (not CSU) may take out wire transfer fees. Please ensure that the final amount that CSU received is equal to the amount you owe for registration. Questions about specific wire fee amounts will need to be directed to the intermediary bank and not CSU.
